

## **Notes on Work**

Beginnings are awkward.  
Continuings are strenuous.  
Easy peace won't last.  
Inner balance may.

Death?  
Doubtful.  
The graveyard's  
a door to more.

Requiem aeternam?  
Doubtful.  
New life,  
new work.

Why then work?  
Stagnation stinks.  
Starvation hurts.  
Endings aren't.
