

Mother Greets Newborn

I see you have been
traveling through the universe
without a map again.

Welcome to earth, my friend.
I breathe on you with my eyes
and I hear you with my breast.
You squall and you squirm,
but you did come to this place,
and I opened the door,
so let's learn to be together.

As your first guide
on this strange planet,
I will introduce you to your body
and mine and everything else.
Let us proceed together now
as companions.

Earth is not a bad place to live.
There is much room here for love.
There, there, there....
Drink of the earth and sleep.
